MITRE 10

CROFTON DOWNS

Brendan, Warren and the rest of the Mitre 10 Crofton Downs team have come on board as sponsors for the 2023 season. Not only are they the principal sponsor for our Women's Premier side, but they are also getting behind all NWFC by offering an in-store promotion for all our members, their families, and friends.

Simply say "North FC" at checkout and you will save on a whole range of products. On top of that, Mitre 10 Crofton Downs will donate a percentage of sales back to the club.

PRESIDENT'S WELCOME

A very warm welcome is extended to all players and supporters at Alex Moore Park today as well as the wider North Wellington FC family across social media.

Things are stepping up a gear this week, despite thoughts of school holidays and easter eggs for many.

We've got a massive eight games at Alex Moore today with the first match at 10am and the last kicking off at 4pm. It's Ladies first and the early start in the Kelly Cup when Mana Coach Services North Wellington host Horowhenua Coastal FC for the first time in this impressive preseason tournament which has been a fixture on the local football scene for many decades. Our Mitre 10 Crofton Downs Reserves will also be playing on plastic in the same competition but will do so at Maidstone against Upper Hutt City. We wish both our women's sides nothing but the best.

Connol and the Aiscorp North Wellington Reserves have their first home match at noon on the turf and will be tested as always against Wellington Olympic. Our thirds under the guidance of Dave Wright and Gareth Winder, will also have their first hit out today. There are clearly some excellent viewing opportunities for our supporters today.

Covid is still not a word that belongs in the past tense, and we are sorry that both Davor and James are out of action with the affliction. We hope to see you back next week guys and wish you a speedy recovery. A special thanks to Lloyd and the rest of the team for stepping

up as TFS North Wellington make the trek to David Farrington Park to face Miramar Rangers for three valuable points in the Central League and also to challenge for the O'Brien Shield. The shield is a hefty piece of timber and is thought of as the local football equivalent of the Ranfurly Shield. It was donated by the Seatoun Football Club originally in 1992. There have been 335 defences of the Shield to date and Miramar Rangers have achieved 30 defences since their most recent tenure began in 2019.

North Wellington have held the O'Brien Shield on 4 occasions since the competition began and defended the Shield 23 times in total. North Wellington were the first club to take the Shield in that inaugural season from Seatoun.

In closing, we wish North Wellington stalwarts, John and Avis Barrett a very happy 63rd wedding anniversary for last weekend. As a past President and coach at North Wellington, John remains an active supporter of our club and Avis is always there to make sure that John behaves himself. Have a lovely weekend everyone and don't forget to pop into the Waiora hub for food and beverage before, during and after the matches.

Best wishes.

Grant Stephen
North Wellington FC President

COACH'S COMMENTS

Welcome to another week of Central League football.

We will try to put the disappointment of losing our first game of the season behind us, and do all we can to bounce back against Miramar Rangers this week.

It will be another tough challenge, but I believe that we can play a lot better than we did against Western Suburbs, and I'm sure we will do just that.

With James and myself both out with Covid this week, Lloyd will be in charge of the team, and I just want to use this opportunity to say a big thank you to him for stepping in to help.

Men's First Team Coach

Firstly welcome to Horowhenua Coastal.

Last week was tough going down 4-0 inside the first 25mins but I was really happy with how we problem solved and knuckled down to hold Marist out until the final few minutes.

There were plenty of work ons but also plenty of positives that came from that game and im really looking forward to improving on things in this game.

We want to use these Kelly Cup games as a chance for us to iron out the kinks and start playing how we want to play, it's just a bonus if we happen to get some good results along the way.
