MITRE 10

CROFTON DOWNS

Brendan, Warren and the rest of the Mitre 10 Crofton Downs team have come on board as sponsors for the 2023 season. Not only are they the principal sponsor for our Women's Premier side, but they are also getting behind all NWFC by offering an in-store promotion for all our members, their families, and friends.

Simply say "North FC" at checkout and you will save on a whole range of products. On top of that, Mitre 10 Crofton Downs will donate a percentage of sales back to the club.

THANK YOU TO OUR PREMIER SPONSORS

North Wellington Football Club would like to extend a special thank you to our Senior Premier team sponsors – who help make it possible to field our teams in competitive competitions each and every weekend.

PRESIDENT'S WELCOME

A very warm welcome is extended to all players and supporters at Alex Moore Park across the weekend as well as the wider North Wellington football family wherever you happen to be.

We are at the point of the season where we are almost at an end and the prize giving's are under way or about to happen in a few short weeks.

The exception of course is the last round of the Men's Central League and we welcome Napier City Rovers once more to Alex Moore Park. This is an important match for Napier as they look to cement a place in the summer league and an important game for us too as we fight for the right to remain in the Central League. To James, Davor and the team we wish you every success and know that you will give it your all.

A special thanks goes to TFS, Mana Coach Services, Aiscorp and Mitre 10 Crofton Downs for standing behind our top men's and women's sides for another season. The sponsors' evening

held last week demonstrates how much we value your support and we do appreciate your involvement with North Wellington. Thank you once again.

To our players, coaches, management teams, parents, supporters and administrators; thank you all very much. We all rely on each other to make this fine game possible. We hope you have all enjoyed your season and look forward to seeing you back again next year.

Have a lovely weekend everyone.

Best wishes.

Grant Stephen
North Wellington FC President

COACH'S COMMENTS

Welcome everyone today to Alex Moore Park for our final men's CL match of this 2023 season.

We would like to extend a warm welcome to our opponents travelling down from Hawkes Bay in Napier City Rovers.

After a competitive round 9 game in Napier for us, we look to match that standard and raise it a level for our home supporters today. What will be a crucial battle for points on both sides, it looks to be an entertaining finish to the regional season.

Well done to all our senior men's and women's sides that finished their respective seasons this past week. In addition, all the best to our youth sides that will continue to compete in the upcoming months.

We would also like to say a massive 'Thank You' to all our sponsors that have supported us

throughout this season on both the men's and women's sides!

We look forward to continuing to build the foundation of this club from the ground up, especially looking at the current successes of ALL our TDP teams - u13's, u14's(girls), u15's and u17's - topping their respective age group tables recently.

We are very excited for the future of Norths Football and are happy to celebrate the competitive seasons of all our club sides for this 2023 year and beyond....continue to #FollowUsNorth!

Men's First Team Coach

COACH'S COMMENTS

I'd like to start off by thanking all the girls who played this year.

It was a year that meant so much to the women's game and I hope the World Cup inspired lots of girls and women to get involved in the game! Thank you also to our sponsors, we know that the club wouldn't be able to run without them and many things we've been fortunate enough to have wouldn't be without them so thank you and we hope you can come on board again next season.

It was tough season for the W league girls but like I have said to them in the last couple of weeks the improvement from last season despite finishing bottom of the table again has been immense. We've scored triple the amount of goals this season than we did last year, we picked up more points than we did last year and we've grown the culture into something where people don't want to leave which in itself is something im incredibly proud of.

There were certainly games we should have picked up points that we didnt but that's football and the girls continued to put the work in week in and week out and celebrate all the other wins we had on and off the pitch.

My Christmas wish this year is that Capital Football do what's best for the league and move it to a 10 team league that includes us because despite where we finished on the table this year this group deserves and is good enough to stay and compete in WCL.

Thank you to everyone who supported us this season we hope and look forward to seeing you again in 2024.
